Classic AT 8545 Ar75 HE HOME BEAUTIFUL, published annually by The Art Wall Paper Mills, has become an established feature. The appreciation accorded the 1911 edition was a pleasurable inducement to increase our efforts to make this, the fifth edition, excel all predecessors as useful and welcome assistant to the decor and salesman.

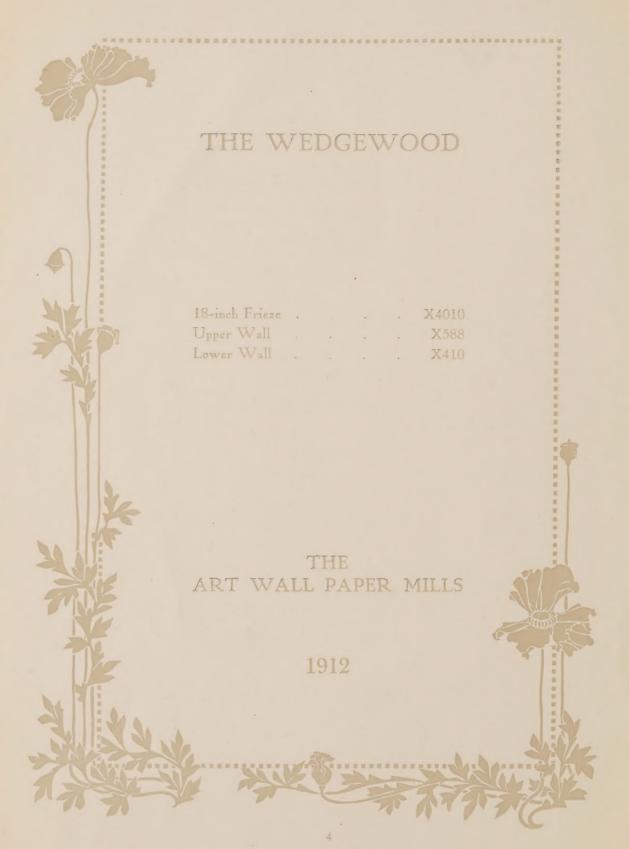

It is well understood that the object of these illustrations is merely to lead the artistic ideas

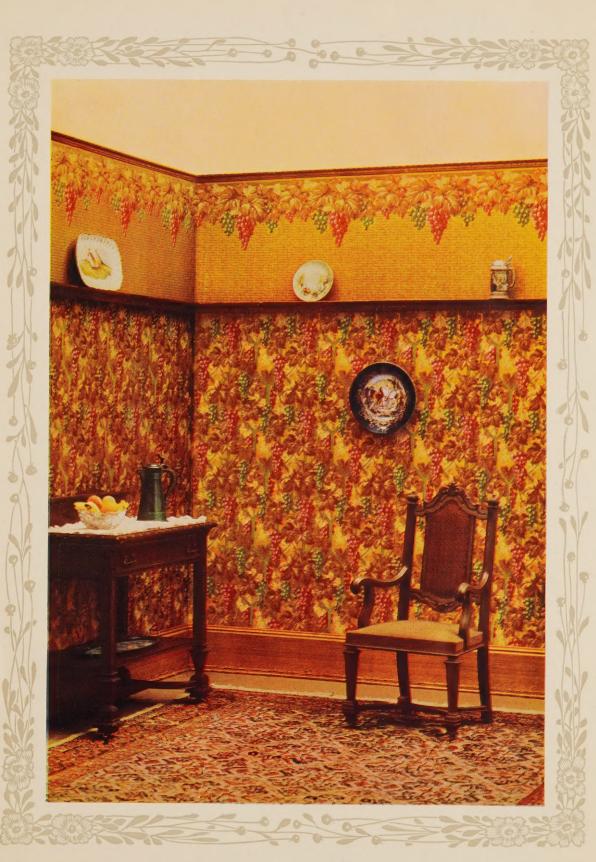

Digitized by the Internet Archive the province of the decorator to enlarge on these sugar 2023 with funding from the second to t

Wherever practicable the original paper should, therefore, he exhibited.

The 1912 HOME BEAUTIFUL more than ever exemplifies our ability to couple the ultraartistic with the practical, and while the space of this booklet limits the showing of the possibilities of the line, we wish our customers to feel that our department on Art and Decoration is at their command without restriction.
